THE MINISTER OF STATE IN THE MINISTRY OF RAILWAYS (SHRI SATPAL MAHARAJ): (a) The number of consequential train accidents on the North Eastern Railway and other railway zones during February-July 1996 is as under:—

Zone	Number
North Eastern	12
Central	20
Eastern	18
Northern	30
Northeast Frontier	15
Southern	25
South Central	26
South Eastern	39
Western	30
Total:	215

(b) The broad causes of these accidents were human failure, equipment failure, sabotage and incidental factors, etc.

(c) 211 persons lost their lives and 251 sustained injuries in these accidents.

(d) and (e) No compensation has so far been paid. Compensation will be paid soon after the claims are decreed by the concerned Benches of Railway Claims Tribunal.

(f) Suitable action under Discipline and Appeal Rules has been taken against the staff held responsible.

(g) The steps taken to check the accidents are as under:

1. The work of track circuiting has been accelerated on the trunk routes and important main lines.

2. Signalling circuitry is being changed to prevent home signal from being lowered till the starter and the advance starter, lowered for the previous train, have been put back to 'ON' position.

3. Auxiliary warning system for giving advance warning about signals at danger to driver of the running train and stopping the train if the driver does not respond within the predetermined time interval has already been commissioned on Bombay suburban section.

4. Upgradation of track structure has been done by using heavier rails and concrete sleepers.

5. The track is maintained by Tie Tamping and ballast cleaning machines. Track is also now being
